

# Humane Horse Mats

## More Comfort for Your Horses

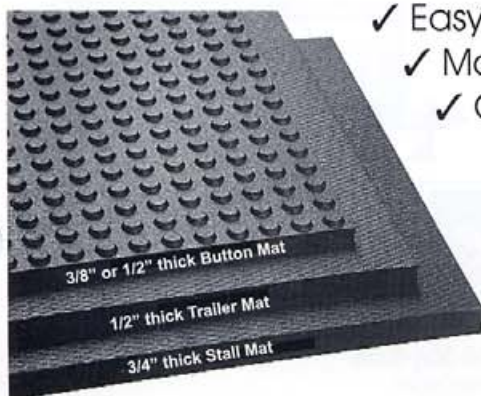

If proper care and protection of your valuable horses are high on your list of priorities and you desire an efficient method to keep stalls clean, you can't afford to be without the benefits of Humane stall mats . . .

- Save Time
- Save Money
- Save on Labor

- Provides more horse comfort
- Reduces bedding costs
- Reduces horse injuries
- Reduces daily clean up time
- Textured surface provides traction
- Totally non-absorbent
- Reduces daily bedding manure volume
- Insulates against cold and damp
- Flat bottom finish (no groves to promote bacteria growth)

- ✓ Easy installation
- ✓ Mats will not curl
- ✓ Can be installed in new or existing facilities

Humane has 28 years of mat manufacturing experience in the United States with recycled rubber material. Humane offers a variety of mats including the 3/4" diamond surface stall mat, 1/2" diamond surface trailer and aisle mat, 1/2" button wash mat, and the 3/8" diamond and button sidewall liner. We are confident that you will agree the Humane line of mats are the finest quality mats available.

# Only Humane Offers a Complete Line of Mats for Your Horses with all these Features:

Humane mats are manufactured from recycled rubber material. We remove all objectionable material including wire and fibers. No filler materials are added. Mats are absolutely non-absorbent and will not harbor or promote bacteria growth.

Mats are easy to install and virtually maintenance free. Humane stall mats are covered by a limited 12-year warranty. All mats can be cut to size required. All dimensions are nominal.
