PROTECTIVE FLOORING

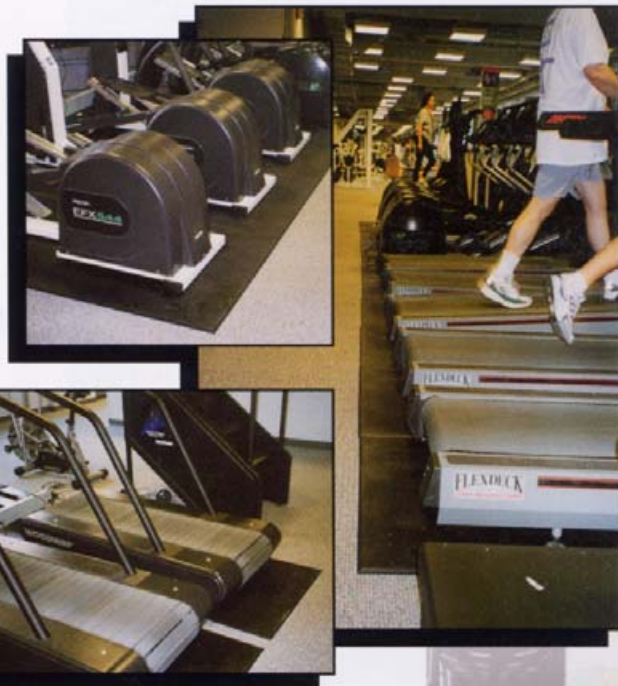

## Full Floor Protection:

Use the LOKTUFF® Standard Interlocking Flooring System to cover large "islands" or entire rooms. Five color options are available to enhance any decor, and can be used to designate activity areas or direct traffic.

LOKTUFF® interlocking feature shown actual size. Also available in solid black.

**STANDARD INTERLOCKING FLOORING SYSTEM**

Guardian SuperSport Mats are ideal under heavy workout equipment; shielding the floor from damage while also protecting the machines from vibration and carpet fibers.

## Use wherever TOUGH FLOORING is required

emerald

Guardian SuperSport Mats provide extra protection exactly where it's needed... on hard floors, over carpeting, or in combination with the LOKTUFF® Standard Interlocking Flooring System. Choose from several thicknesses to get just the right flooring for any area.

### Usage:

- Weight Rooms
- Exercise Areas
- Golf Club Houses
- Locker Rooms
- Pro Shops
- Ice Arenas
- Dugouts

Humane Mats are manufactured from recycled tire materials.

## LOKTUFF®

STANDARD INTERLOCKING SYSTEM

### Easy to Install:

A loose-lay product, requires no adhesive (ideal for leased buildings or home use)

- Will not curl or separate, will not cold flow
  - Virtually maintenance free
  - LOKTUFF® precision water-jet cut interlock virtually eliminates gaps
- Some surface imperfection may exist.

### Flexible & Versatile:

When your floorplans change, Humane flooring is ready with you. Our modular design requires no cementing and will not mark or stain. Just rearrange, or add on as needed. You can even pick up and go without leaving a trace.

### The Right Mat for any Application:

Available as straight-edged mats or interlocking panels, with beveled or non-beveled outer edges. With layout/design assistance and customized sizes on request, there is sure to be a Guardian SuperSport Mat to fit your needs.
