

FlexGard® Rubber Stall Mats are the most durable, long-lasting, and economical solution to your flooring needs. Specially designed to provide flexibility, comfort and safety for your animals. Buy with confidence - 5 year limited warranty.

FLEXGARD® STALL MATS

FlexGard® Stall Mats are the best way to offer your animals a healthy, natural environment. Our mats provide non-slip comfortable flooring, while reducing back and leg strains that can lead to animal injuries. These mats insulate against cold and damp conditions and absorb shock. FlexGard® Stall Mats can reduce cleaning and bedding costs, while saving you time and effort.

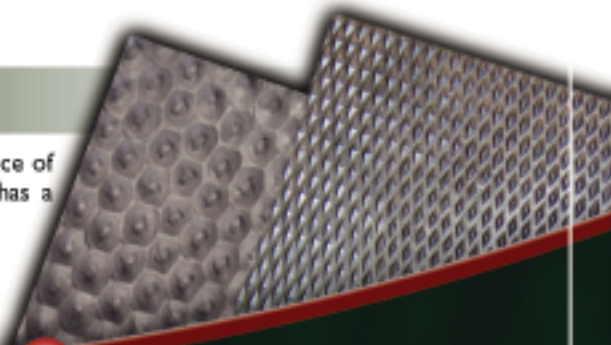

QUIK-FIT® PRE-CUT INTERLOCKING SYSTEM

Quik-Fit® Stall Mats are the perfect answer for easy, worry-free installation of rubber mats. Pre-Cut to fit stall size and interlocked to keep mats together. No cutting is required. Other uses include: aisle ways and general flooring, wash area mats, trailer mats, and other areas where protective flooring is needed. Available in 10' x 10', 10' x 12', & 12' x 12' kits.

FLEXGARD® ERGO STALL MATS

FlexGard® Ergo Stall Mats are ergonomically designed to provide the correct balance of firmness and durability for your animal. Due to its unique density, the Ergo Mat has a preventive orthopedic benefit specifically designed by veterinarian professionals. These mats help reduce strains and stresses associated with animal injuries. Ergo Mats are perfect for horses and equine uses.
