

# Why are we still **smiling and standing** after a long day at our Trade Show?

"... because our SoftFLOORS are lightweight and assemble in minutes!"

"... because our SoftCARPETS are more comfortable than padded carpet!"

"... because our SoftFLOORS give us a contemporary look and they feel fabulous!"

"... because our SoftFLOORS are as easy on our budget as they are on our feet!"

## The **original** interlocking SoftFLOORS and SoftCARPETS for Trade Shows & Displays
