

PREMIUM SHREDDED Rubber Mulch

The Smarter Way to Mulch

100% RECYCLED RUBBER SHREDDED MULCH

GroundSmart Premium Shredded Rubber Mulch looks like real wood mulch and is the perfect groundcover for landscaping applications. GroundSmart Rubber Mulch carries a 12-year color guarantee so apply once a decade, not every year, saving time and money. Made from 100% recycled rubber, GroundSmart Rubber Mulch will help prevent weed growth and will not attract damaging insects such as termites and carpenter ants.

Landscaping Installation

- Install GroundSmart Shredded Mulch at a 1" depth.
- Use of a weed fabric is recommended, but not necessary.
- If installing mulch over existing mulch/soil, make sure the ground surface is compacted material, free of debris and loose objects.
- When installing mulch in mulch/plant beds, beds should have a border to help contain the mulch.
- To clear leaves and other debris off the top of mulch, use a blower on a low setting.

Available in colors: Brown, Red and Black.
Available in sizes: 37.5 cu ft Pallet, 75 cu ft Pallet, and 85 cu ft. Super Sack.
