Shok-Lok MAX

GUARDIAN Shok-Lok combines the industry leading durability of recycled re-vulcanized rubber with an innovative "waffle bottom" design to create a surface perfect for intense heavy lifting environments. Modern facilities need the flexibility to utilize every square inch of space. **GUARDIAN Shok-Lok** makes that possible with wall-to-wall installations of a heavy duty 18MM tiles that offer an amazing 56 IIC rating and superior shock and noise absorption.

GUARDIAN Shok-Lok uses SafeStep technology to provide a safe and stable surface that actually increases its anti-slip properties in wet conditions. Speaking of safety, **GUARDIAN Shok-Lok** has a 100% closed cell structure that will never absorb bacteria or viral material. **GUARDIAN Shok-Lok** is made in the U.S.A. from 100% recycled rubber and is backed by a 5 year manufacturer warranty.
